

# RAISING THE BAR FOR CARTRIDGE PERFORMANCE

Air System Protector<sup>PLUS</sup> 432 410 244 2

The Air System Protector<sup>PLUS</sup> sets new performance standards for the separation of oil and aerosols, outperforming every other cartridge available today.

Choose it for vehicles operating in challenging conditions, requiring protection from brake failure between extended service intervals.

Experience Air System Protector<sup>PLUS</sup> high performance for yourself! See how it works on:
