- Order the new DVD "WABCO Systems – Virtual Tour" from your authorized WABCO dealer.
- **Price:** € 35,- excl. VAT (recommended retail price)
- **WABCO Order Number:** 815 004 700 3
- **Technical Requirements:** DVD Player or PC with DVD drive

The new DVD "WABCO Systems – Virtual Tour" offers training course participants in training centers, vocational and driving schools a clear and informative demonstration of the process cycles in commercial vehicles. The virtual tour covers a range of tractor and trailer areas, including air management, brakes and brake management as well as chassis control and air suspension. The training is supported by English or German explanations. A clear menu structure provides for a good overview and facilitates easy navigation. The DVD can be used during training sessions and at home, either on a DVD player or a PC.
