

RDW

To whom it may concern

We, RDW, as the type approval and certification authority, concerning the anti lock braking system of certain categories of vehicles corresponding the Directive of the Council 71/320/EEC as last amended by the Commission Directive 2002/78/EC and ECE Regulation 13 Amendment 09 supplement 08, herewith state that the following systems can be exchanged:

- | | |
|---|--|
| 0.1. Make | : WABCO |
| 0.2. Type | : Vario compact Trailer ABS 2nd generation (VCS II) |
| 0.3. Variety | : System |
| 0.4. Category of vehicle | : O3, O4 |
| 0.5. Name and address of the manufacturer | : WABCO Vehicle control systems Am Lindener Hafen 21 30453 Hannover Germany |

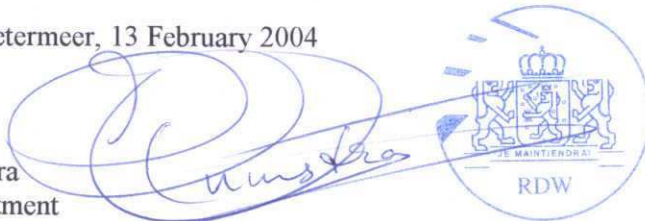

The following old ABS units can be exchanged for the following new ABS units without further testing:

| "old version" (VCS I) | "New version" (VCS II) | |
|----------------------------------|----------------------------------|----------------------|
| Wabco Part number: | Wabco Part number: | System layout |
| 400 500 030 0 upto 400 500 067 0 | 400 500 070 0 upto 400 500 090 0 | Integrated unit |
| 446 108 030 0 upto 446 108 050 0 | 446 108 085 0 upto 446 108 090 0 | Separate ECU |

This statement is based on the result laid down in the test report RDW-71/320-0920.

Issued: Zoetermeer, 13 February 2004
