## Improved range of WABCO shock absorbers

After many discussions with our customers, we have continued to improve our range of shock absorbers.

As a result, we now offer a revamped assortment at low prices. The following table provides a list of the new part numbers that will soon be available.

Our revised catalogue 815 980 058 3 will be available in August. Please contact us with regards to our new range!

WABCO Shock Absorber Part Numbers
