

## Repair kits for ABS/EBS valves

Since some years WABCO is selling successfully solenoid modulator valves and relay valves with DIN bayonet connection instead of the old Kostal connection.

For the Aftermarket we now offer repair kits containing a valve and adapter cable(s), to allow an easy replacement of a defective valve which were still on a Kostal wiring loom.

Please find an overview of our repair kits in the table below:

Repair kit	Content	Replaces	Application
 <p>472 195 920 2</p>	<p>1x 472 195 016 0 1x 894 601 132 2 Repair kit leaflet</p>	<p>472 195 008 0 472 195 008 7</p>	<p>ABS Solenoid modulator valve for MERCEDES; LK/LN2; O3 &amp; O4 series; NG / MK / SK</p>
