

TRUST THE ORIGINAL!

For optimal vehicle operation and reliability, WABCO recommends that you exclusively use WABCO original parts. This is the only way to ensure best performance, trouble-free operation, and long life for your vehicle.

BEWARE OF COUNTERFEIT DIAPHRAGMS

We would like to alert you of a counterfeit diaphragm which can be used for repairing brake chambers, double diaphragm spring brakes, and TRISTOP® cylinders.

Using this counterfeit diaphragm may adversely affect the operation of the actuator and / or the safety of the vehicle. Ultimately it may cost you time and money caused by unnecessary vehicle downtime.

HOW TO RECOGNISE A COUNTERFEIT DIAPHRAGM

The counterfeit part is visibly different from the WABCO part as follows:

WHAT YOU SHOULD DO IF YOU DETECT A COUNTERFEIT DIAPHRAGM

If you detect a counterfeit diaphragm among your WABCO parts stocks, please take following action:

- Remove the suspect diaphragm from your shelves
- Contact your local [WABCO partner](#) or nearest authorised distributor.

WABCO is committed to ensuring that the flow of counterfeit parts into supply chain is stopped. If you provide us with details of who sold the counterfeit parts to you and when, WABCO will consider appropriate legal action.

WABCO recommends, in the event that you have repaired any vehicle with the counterfeit part, to recall the vehicle immediately and perform the correct repair with the WABCO original part.

BUY WABCO ORIGINAL

WABCO original is as unique as your fingerprint. Beware of cheap imitations. They might turn out to be a costly bargain. To be certain that products labelled WABCO contain the genuine article, you should only buy from authorised [WABCO distributors](http://www.wabco-auto.com/findwabco) (www.wabco-auto.com/findwabco).
