

## WABCO EXTENDS CORE RETURN SYSTEM

From the 1<sup>st</sup> of April 2014, calipers for MAXX™22 and air compressors will be invoiced with a surcharge that will be refunded upon the return of the core (used part).

### SAFETY FIRST

WABCO's reverse logistic process protects customers from misusing or reconditioning broken, damaged or worn out parts presenting critical safety issues.

- If brake calipers are reused after the end of their service life they may present material fatigue leading to malfunctions of the brake.
- If air compressors are reused after the end of their service life they may present material damages and/or wear leading to malfunctions of the air system.

Thus WABCO strongly advises you not to re-use brake calipers and air compressors remanufactured by non authorized third parties.

### ENVIRONMENTAL PROTECTION

Returning caliper and air compressor cores supports WABCO's contribution to a healthier environment as it ensures used products go through a recycling process or are appropriately disposed.

### WHICH CALIPERS ARE INCLUDED IN THE CORE RETURN PROCESS?

Product number	EUR		CHF		GBP	
	Gross price 2014	Surcharge	Gross price 2014	Surcharge	Gross price 2014	Surcharge
640 322 031 0	1,250.00	175.00	1,750.00	245,00	1,038.00	150.00
640 322 032 0	1,250.00	175.00	1,750.00	245,00	1,038.00	150.00

## HOW ARE USED PARTS RETURNED?

Upon return of the used MAXX™ air disc brake caliper or air compressor to WABCO the corresponding deposit will be refunded. A used part can be returned up to one year after purchase. The year starts with the day stated on the WABCO invoice.

The core return system applies to WABCO direct customers who return products in surcharge program (GREEN FLOW) or exchange unit program (RED FLOW) – including cartridges.

The Core Return Guidelines are available as PDF file for download at the website [WABCO Reman](http://www.wabco-reman.com/corereturn) (www.wabco-reman.com/corereturn).

The return process is operated via authorised WABCO partners. Please contact your [WABCO partner](#) (www.wabco-auto.com/findwabco) whether you need to return cores or further information.
